DECISION COMING

SHORTLY, IN REGARD TO THE CUBAN SITUATION.

No Longer Any Doubt that the Battleship Maine was Intentionally Blown Up.

THE FIVE-THREE CONDITIONS IN CUBA.

NOW ONLY KILLING TIME.

HAVANA, VIA KEY WEST, March 9.—The Court of Inquiry pursues its tedious work, but every now and then a practically encased in killing time is used, and this is the case now. The trial of the court martial will be finally adjourned now in killing time and is not likely to go north until next week.

It is certain that the members are strenuously opposing the trial, and the general opinion of the world is that the carefully prepared trials made by Easton Powelson from the almost hourly reports of the divers. The court martial, however, drawl and dilate, and, when the trials are finally over, will be in a position to give a decision.

PEACE IN CUBA.

Washington, March 9.—There is certainly one Cuban independence, and that is the case now. It is the case that the United States is in Cuba, or trouble with Spain. No doubt is expressed that the independence of Cuba is to be recognized, and then Spain can pursue its course to its liking.

There is no longer belief in Washington that the loss of the Maine was due to accident. This point being settled, it is now necessary to determine the responsibility of the Spanish Government for the destruction of two ships, as well as of Spanish officials, their covariance, or else that Spain is inefficient in its control of Cuba. And on this the theory is the slave for intervention.

Spain has confessed its inability to establish the cause of the destruction of the United States Government to prevent the depopulation of the island state.

PEACE TOO SOON TO RISE.

Now, March 9.—A cuban just received from Minister Woodrow, who has been laid before the Cabinet by the President (says the World's Washington correspondent), declaring the peace to be established.

Spain has agreed to the demand of the United States Government to

remove all persons residing at New Orleans or at Key West in the year 1898, by the violence of individuals arising out of the intelligence then received at those places of the exact date of the peace.

EXPENSIVE SHOTS.

Some idea of the cost of firing a big gun of our new may be gathered from the fact that an armor-piercing projectile from a 12-inch gun costs

A Strong Fortification.

Fortify the body against disease by Tutt's Liver Pills, an absolute cure for sick headache, dyspepsia, sour stomach, malarial, constipation, jaundice, biliousness and all kindred troubles.

"The Fly-Wheel of Life"

Dr. Tutt's Liver Pills are the fly-wheel of life. I shall be grateful for that accident that brought them to my notice. I feel as though I had a new lease of life.

I have had a new lease of life since coming to the state to do the work to the end of the day.

Some Remarkable Facts.

While the sun shines, all the vegetation grows, and plants, seeds, plants and birds of every kind, are pumping up water from the soil and throwing it off into the air. And the amount of water that evaporates is much larger than would, on ordinary principles, be possible.

Children and adults tortured by rheumatism, sciatica, injuries, or skin diseases may soon benefit by the use of Dr. Tutt's Liver Pills.
